Important notes

- If you do not currently have a Neteller account, you can sign up free through the website: <http://www.neteller.com/>.
- Funding your account will depend on your country of residence.
- Please note that we are not able to process third party payments in order to ensure financial security and prevent money laundering. The name of your trading account and the name registered with Neteller have to be the same.
- The term "Instant" as above means that a transaction is carried out within a few seconds without manual processing by financial department specialists. Funds may only be withdrawn to clients' personal accounts in order to ensure financial security and prevent money laundering.
- The Company shall not be liable for delays in processing deposits if such delays are caused by the payment system.
- The company retains the right to change the processing time for deposits and withdrawals without notifying clients in advance.
- The company may place limits on the payment systems available to clients from certain countries.
